

August 1, 2010

Dear Tucson Waldorf School Parents,

The 2010-2011 school year is right around the corner and the faculty, staff, board members and volunteers are eagerly preparing both campuses for another memorable learning adventure in Waldorf Education!

The Presidio Campus is currently under construction—a new commercial kitchen, classroom and office configurations, and an additional bathroom are all in the works. These renovations are necessary to provide the Early Childhood through Grade 3 children with the extra space and accommodations needed for our programs.

The River Bend Campus will hold Grades 4-8. The faculty and administration are currently creating several optional after school programs for those children at the River Bend Campus. Families from the Presidio Campus are always welcome to stop by the River Bend Campus during office hours to see the future home for all of TWS, visit the garden, meet the farmers and greet the goats and chickens.

Please review this entire packet containing the following:

- 2010-2011 Back-to-School Information
- School forms to fill out and return at the Back-to School Social
- Community Life: Parent Council and Volunteer Information
- Early Childhood Extended Day information and contract
- School calendar
- I Support TWS!—ways to support the school at no cost to you
- An insert on River Road Gardens, the farm located on the River Bend Campus.

At the Back-to School Social all parents will receive a new parent handbook which outlines school policies. In addition, parents of newly enrolled children will need to sign up for one of the Essential Parent Orientations. These are brief informal meetings to introduce families to the school, answer questions, and learn about participating in the school community.

Thank you for enrolling your child(ren) at the Tucson Waldorf School and we all look forward to a rewarding 2010-2011 school year together!
