

# I SUPPORT TWS!

There are many ways to support TWS through your normal, everyday spending. This won't cost you a penny and the extra money coming into the school will benefit our faculty through bonuses and salary increases. So PLEASE participate whenever and wherever you can!

- **Go online to [www.escrip.com](http://www.escrip.com)** and register your credit, debit and Safeway Club Card<sup>1</sup> (if applicable). Our I.D. # is 2062486. Once registered, a percentage of qualified purchases at various local restaurants, stores and online vendors will be returned to TWS. Please note, when shopping online, TWS will only get credit if you go through escrip's online mall. Do this by going through their website (above) or by following the escrip link on our website, [www.tucsonwaldorf.org](http://www.tucsonwaldorf.org), at the bottom of the homepage.
- **Amazon.com:** Our school earns 4%+ for all of your online purchases through Amazon.com! Go to the TWS website [www.tucsonwaldorf.org](http://www.tucsonwaldorf.org) and use the Amazon link at the bottom of the homepage to take you directly to Amazon.com where a percentage of your purchases will come back to TWS!
- **Albertsons:** Please pick up an Albertson's community club card in the office if you shop there. Simply swipe the card during check-out and TWS will earn a portion of the sale.
- **Target:** If you have a Target Redcard (Target Visa Card, Credit Card or Check Card), please visit [www.target.com](http://www.target.com) and designate Tucson Waldorf School as a school that you want to support. If you shop at Target and do not have one of their cards, please consider applying for a check card—it is NOT another credit card; it links directly to your checking account (like a debit card) and earns money for the school.
- **[www.goodsearch.com](http://www.goodsearch.com):** Use this search engine to earn money for TWS. The link is located at the bottom of the TWS website's homepage.
